Aum peace, peace, peace.

In India we believe “Prayer is a first breath of God”, which created by our Rishi-Muni (Holy saint) with very powerful shlokas & mantras, that gives positive vibes and divine power to all health seekers before beginning of any treatment.

Sanskrit believes that the sound of the word never gets ruined and that it has an everlasting value. Words in Sanskrit open out from their seed (beej) form. The root or seed create a word, yet the word will vibrate to its best, By sound and form.

AUM symbolizes the infinite Brahman (ultimate reality) and the entire universe.

A - stands for Creation

U - stands for Preservation

M - stands for Destruction or Dissolution
